E-Mail System

We at the Village at Morse Farm are always looking to improve how we get information sent to family members, such as this newsletter. We are asking that if you would like us to e-mail this newsletter instead of mailing it in the mail, to please send us an e-mail and let us know. Please include your name and your family member at the Village. You can e-mail Kelsey at kelsey@villageatmorsefarm.com, or the Village at village@teamhousingcenter.com. Thank you so much!

Save the Date!

The Village at Morse Farm will be hosting the 4th annual Family Picnic and Potluck on Saturday September, 17th. This will be an outdoor event with weather permitting. We are planning on a picnic with fun for all. More information to come at a later date. We hope that everyone can attend!

Fire Doors

We would like to let you know that on the back hallway of our building, at both ends, are two fire doors. These fire doors are very heavy and close any time that the fire alarm is set off. Please be aware of where they are and very cautious when walking through them. The fire alarm could go off at any time and we would like all of our residents and visitors to be safe if this should happen. Thank you!
