At our December resident meeting the residents discussed how they enjoyed the Christmas outing on December 3rd. The lights were beautiful but the residents would like to try a different restaurant for dinner. Also we had two ladies from Macoupin County Public Health Department come and speak about a program they are promoting its called, "Take Charge of Your Health: Live Well, Be Well." It is a six week program that will last about two and half hours on Wednesday afternoons starting January 19th at 1:30 p.m. in the dining room. The public will be invited to attend so ask your friends and loved ones to come and participate.

JUST TALK

Phone Scam Alert

Phone scams are usually directed at our Senior Citizens, but the truth is anyone is susceptible to phone scams. Scam artists will devise a highly believable story to solicit information from their victims. That's why it is important to never give out any personal information over the phone if you are not the one who initiated the call even if that person claims to be a law enforcement official or someone from your financial institution. Some scams are auto warranties, prize distribution centers, offers to lower your interest rates, fake bank alert messages, bogus fund-raising operations, a lawyer calling and say a loved one is in jail, get rich schemes, you have won the sweepstakes and many more ways to scam you and to get your money. If you receive a call like this please call a loved one or notify Shannon, Paula or Linda so we can call the proper authorities.

Christmas Appreciation for the Staff

All of the staff want to thank the residents and their families for their thoughtfulness for the candy and gifts. It is greatly appreciated.

Flu Season

The Flu Season is here and we would like to give you some helpful tips for prevention.

Yearly flu shot

Use good hand washing

Drink plenty of fluids

Get plenty of fresh air

There is still time to get a flu shot. Ask Shannon or Paula and they will make arrangements for you.
