become friends and friends become family”.**

## *Just Talk*

### Emergency Response System

Each apartment is equipped with an emergency call button and an emergency pull cord in the bathroom. At the Village of Morse Farm your safety is our utmost priority. If you are in need of any assistance please remember to utilize the call system.

### Tornado Season

Tornado season is here. It is very important to make sure everyone knows what to do in case of a real tornado situation. The most important thing to remember is to stay away from windows and put as many interior walls between you and the outside as possible. If severe weather is in effect for our area the staff will immediately inform you of the situation and give directions and assistance to a safe area.

### C.N.A.'s Honored ~

The Village at Morse Farm would like to once again thank our Certified Nurses Assistants on their hard work. We honored them with a pizza lunch on Thursday, June 23, 2011 in recognition of Certified Nurses Assistant Week June 16-23, 2011. Keep up the great work!

### UPCOMING Programs:

Wednesday, August 3, 2011 TOPIC:
