Diabetic Support Group Meeting Wednesday, June 1st-

The Macoupin County Public Health Department has asked the Village at Morse Farm if we would like to host their Diabetic Support Group Meeting in June. We are delighted to have the meetings here in our dining room. This month there will be a guest speaker, Dr. Lapp of Lapp Optometry here in Carlinville. He will be here to discuss eye care and diabetes. Please know that this Meeting is open to the public and if you know anyone who could benefit, or would like to come, please feel free to invite them also.

Emergency Drill-

We will be having an emergency drill on Friday, June 3rd. Please do not be alarmed, this will only be a drill, but do know that you will probably be asked to evacuate your apartments at this time. With all of the bad weather that has been happening around us, it is never a bad idea to be prepared and knowing what to do in case of an emergency.

Please join us in celebrating Fathers Day on Saturday, June 18th. We will be hosting a breakfast buffet with made to order omelets for all residents and their guests, starting at 7 a.m. Please RSVP guests to the front desk by Monday, June 10th.

Breakfast at Beaver Dam

In June we will be going to Beaver Dam on Wednesday, June 29th. Anyone that would like to join us for breakfast at Beaver Dam please sign up at the front desk. We will meet in the front lobby at 6:45 a.m. Residents are responsible for the cost of their meal.

Tornado Season

Tornado season is here. It is very important to make sure everyone knows what to do in case of a tornado. The most important thing to remember is to stay away from windows and put as many interior walls between you and the outside. Most importantly let our staff inform you of the severe weather and direct you to safety.

Certified Nurses Assistant Week

C.N.A. week is nationally recognized the week of June 16-23, 2011. Our C.N.A's are Michelle Stillwell, Sandy Banister, Erykah Moore, Ashley Broderick, Angie Blotevogel, Hannah Tooley, Elaina Branson, and Stephanie Chism. We appreciate all their hard work and dedication.

Apartments

As many of you know, we do have some empty apartments now available. If you know anyone who could benefit from our facility, please feel free to pass along that information. If you have anyone with any questions or would like a tour of our building, please feel free to have them call anytime, or stop in to see what we can offer. Thanks!
