We will be celebrating Cinco de Mayo Day on Thursday, May 5th. Linda will be having a special menu of Mexican Food at noon that day. Here is a little history about that special day, Cinco de Mayo means "the fifth day of May." Many people believe it is Mexico's Independence Day, but that is incorrect, Mexico's Independence Day is September 16th. Cinco de Mayo is the anniversary of the battle that took place between the Mexicans and the French in 1892. The battle is known as the Battle of Puebla and it celebrates Mexico's victory over the French.
